

Architectural drawing of a wastewater treatment plant (Złoczów) showing a plan view of the sewerage collection system. The drawing includes a large rectangular area labeled "RDZEŃ R" (sewerage collection system) and a smaller area labeled "Stopa fundamentowa Sf1.1" (foundation base). The drawing shows the layout of the sewerage collection system, including the main sewerage line and the collection lines. The drawing includes dimensions for the sewerage collection system, including the length and width of the main sewerage line and the collection lines. The drawing also includes a scale bar and a north arrow.
